A Message from the Executive Director

Reflecting on 2024 and Looking Ahead

As we welcome the winter season, I want to take a moment to express my gratitude for the vibrant community we serve at the West Chicago Park District. Since our establishment in 1972, our mission has been to enhance the quality of life for our residents through effective programs and the preservation of our beautiful parks. This year was especially memorable, highlighted by the 10th anniversary of the ARC Center and exciting events like the Taco & Art Fest, Flashlight Egg Hunt, and Cinco de Mayo Color Crawl.

We've also been fortunate to collaborate with amazing organizations throughout the year, including the West Chicago Parks Foundation and our park partner, Republic Bank. These partnerships have helped us create memorable experiences and expand our offerings, fostering a stronger sense of community.

As we transition into winter, I encourage you to take advantage of our seasonal programs, featuring holiday-themed events and activities for all ages. Thank you for your continued support of the West Chicago Park District. Together, we are building a thriving community that values health, wellness, and connection. Wishing you and your loved ones a joyful holiday season and a wonderful start to the new year!
